

SELAQUI INTERNATIONAL SCHOOL
SUMMER VACATION ASSIGNMENT 2017-18
CLASS VII

ENGLISH

1. Students will read the chapter 'The gift of chappals'.
2. They have to write a diary entry about an incident when they were disrespectful and disobedient to someone. Keep in mind the following points. Why did it happen? Was it the right thing to do? What were the consequences? How did it make the other person feel? Will they repeat the behaviour? Why or why not? What did they learn from the experience?
3. They will also compose their own jingles/ Poem on the theme 'The pleasure of helping others'.
4. They will complete writing in the cursive writing book.

HINDI

1. अनुच्छेद लेखन : अगर मैं मंत्री होता और बचपन 160 से 80-80 शब्दों में।
2. पत्र लेखन : अपने बड़े भाई को विद्यालय में हुई कविता-वाचन प्रतियोगिता के बारे में बताते हुए पत्र लिखिए।
3. पुस्तक समीक्षा : किसी भी एक पुस्तक को पढ़कर 8 से 10 पंक्तियों में समीक्षा लिखना।
4. दस सुलोक : 7 से 10 पंक्तियों में।
4. वाक्य निर्माण : कोई भी दस वाक्य।

MATHEMATICS

1. Compile a project on '**Monthly Home-Budget**' for your family for the month of June 2017.

Collect information regarding-

- (i) **Total Monthly Income** of the Family.
- (ii) **Monthly Expenditure** on various heads like-
 - Food Articles
 - Education
 - Clothing
 - Toiletries and Cosmetics

- Recreation and Entertainment
- Bills, payments and salaries
- Miscellaneous expenses

(iii) Total Monthly Savings

The layout of the project will be as follows:

Title Page, Table of Contents, Acknowledgement, Introduction-Meaning of Budget and Home Budget, Monthly Family Income, Monthly expenses under various heads/categories (stated above), Monthly savings, Arrangement of the data in tabular form, Diagrammatic representation of the data in the form of bar-graph and finally Conclusion.

2. Visit around **50 families** in your locality/neighborhood/apartment and collect information regarding the number of children in the family. (no children, one child, two children, three children etc.). Then follow the steps as given below: (Use project file ruled papers)

- (i) Write the given task as the heading.
- (ii) Write the collected data/information neatly.
- (iii) Arrange the data in ascending order. Find the 'Mode' of the data.
- (iv) Write the given data in the form of a tally marks and a frequency table.

Number of Children	Tally Marks	Frequency (No. of families)
0		
1		
2		
3 & so on		

- (v) On a graph paper, represent the above information by a bar-graph. (Take number of children on x-axis and number of families on y-axis. Take scale: 1 cm = 2 families)
- (vi) Next, find the probability of the number of families with (a) no child (b) two children (c) three children (d) more than 4 children (e) less than 3 children

(Important: The given assignments will be evaluated after summer vacation and holds 10% weight-age in Half-Yearly Examination)

SCIENCE

1. Make a news-letter to show current happening in the field of science and also mention the date and source of news.
2. Make a scrap book with the cuttings of different types of fabrics (natural & artificial). The fabrics should be well labeled. Also paste the leaves of different colors that you have collected.
3. Take the pictures of leaves of different color, parasites (cuscuta), saprophytes, insectivorous plants and symbiotic plants and make a power point presentation of it.
 - In the presentation along with the picture you have to mention the name of the plant, where you found that pant and on which date.(don't take the pictures from internet)

SOCIAL STUDIES

Topic: Interior Structure of the Earth
