INTER HOUSE FOOTBALL

Football is a team sport that involves, to varying degrees, kicking a ball to score a goal. The word “football” normally means the form of football that is the most popular where the word is used.

Sports commonly called football include association football (known as soccer in North America and Oceania) Australian rules football; rugby union and rugby league; and Gaelic football. These various forms of football share to varying extent common origins and are known as football codes.

In our school also this game is very much played and with full spirit. For showing up the levels, there are matches between the houses. In this Seniors, Juniors and Holding house play separately. Our Seniors won against Prithvi House, and Agni House and Juniors won against Agni and Jal.

The overall house position was
2nd.

Dear Parents,

September was indeed an extremely exhilarating and tiresome month for our blue eagles. Our boys were engaged in a plethora of activities ranging from Inter House Chess to Inter House Football.

Along with that, we also had the Half-yearly Examinations in which all our boys, I believe, will perform admirably.
